

### KNOW YOUR REALTY BOARD

By GRACE HINSHAW

Summer is halfway over, and if you go by the equinoxes and solstices (Autumnal Equinox begins September 23), and while many Southern Californians have taken a deep breath and set themselves little vacation-type side trips to

FRANCES DIMITRI

finish out the summer, our realtor is just as enthusiastically applying her efforts to her growing business.

Frances Dimitri was exposed to the real estate business in 1946 and it "took." Her little office at 2276 Torrance Blvd., Torrance, is the most interesting place she can think of and, outside of week-end enjourns into Los Angeles where her mother, sister and niece live, and barbecued supper in her own back yard, Frances' activity centers right in her office.

Frances was born in Dallas, Texas, where she went through high school and where her father was in the candy manufacturing business. When her father transferred his business to Los Angeles the family, of course, came along too. Frances has been many places, including back to Dallas, but no place is quite like Southern California, and Torrance in particular.

Before deciding on the real es-

tate business as a career, Frances and her mother had an interesting but turbulent 12 years raising flocks of our noble festive bird—the turkey. They can assert that the term "bird brain" no doubt originally referred to the turkey. In addition to belonging to the National, State, and local real estate organizations, Frances Dimitri is very active in local civic affairs. She is the Corresponding Secretary of the Woman's Club, a Lioness, and an active member of the Business and Professional Women's group.
